

Do you wanna  
come to a  
party? :P

I met someone  
nice today.

He seems like  
a good guy.

I hope he texts  
me...

Good to meet  
you 2day. C u  
2morrow?

I hope he  
likes me.

He's really  
grown-up.

He's got loads  
of older mates.

I think ur  
really special.  
Wanna come  
to a party? :P

He treats  
me like a  
grown up.

I'd do  
anything  
for him.

My mates  
really liked  
you. I wanna  
give you a  
present.

I just want  
him to like me.

But sometimes  
he makes me  
do things I  
don't wanna do.

I'm in trouble  
I need you to  
come to my  
house now.

I went to  
his house  
but he hurt me.

I told him to  
stop but he  
wouldn't.

It's all my  
fault.

Sometimes  
people say they  
want to be your  
friend but treat  
you badly and  
hurt you.

You are not to  
blame if this  
happens.
